

THE GRAPEVINE

CGI+ hired industry pro **Aaron Cohen** last month as chief operating officer. He helps manage the firm's growing \$1.6 billion multi-family and mixed-used portfolio in Southern California, New York and the Southeast. He's based in the shop's Los Angeles headquarters and will report to CGI founder and chief executive **Gidi Cohen** (no relation). Aaron Cohen spent nearly 13 years at **JRK Property Holdings**, most recently as an executive vice president overseeing that Los Angeles firm's asset-management and property-management divisions. ❖
